Corona Fighter

Students:
Chunhui Liu - 273452
Angel Petrov - 266489
Ziad Akram Bathish - 273442

User Stories:

MUST

1. As an admin, I want to be able to authenticate doctors' documentation, so that doctors are verified in the system.
2. As a user, I want to be able to set what kind of user I am (Patient, Doctor, Volunteer), while signing up so that I am assigned a specific role in the system.
3. As a user, I want to manage my account details which include password and username, so that I am able to update my profile data.
4. As a user, I want to manage my posts by posting and deleting them, so that I am able to share or remove them.
5. As a user, I want to be able to write comments on posts, so that I am able to interact with others.
6. As a patient, I want to create a private group and manage my group/s, so that I have more interaction with my doctors and volunteers who can provide help.
7. As a user, I want to join a group by searching for the group, so that I can provide help and communicate with others.
8. As a user, I want to be able to leave a group by withdrawing from it, so that I am not associated with other users in the group.
9. As a doctor, I want to be able to manage my corona-related lecture by posting, editing and deleting it, so that I can let other users be aware of my lecture updates.
10. As a volunteer, I want to be able to add and delete my offer help post, so that I am able to provide help.
11. As a user, I want to see all available corona-related lectures so that I can choose which one I will be able to join.
12. As a user, I want to search for posts by keywords, so that I can find posts needed.
13. As a user, I want to see statistics by date of the coronavirus outbreak in Denmark, so that I can have a better overview of the condition in Denmark.

SHOULD

14. As an Admin, I want to be able to add video resources to an online library, so that the user can watch these resources.
15. As a user, I want to be able to have a library of video resources that can aid me during the coronavirus outbreak.
16. As a user, I want to be able to get a notification from my groups and for my own posted comments that I have been given from other users on my posts so that I can know of others' interaction with my activities in real-time.

COULD
17. As a user, I want to be able to save, view and delete my already saved posts, which are in a bookmarked list, so that I can manage my bookmarks at any time.
18. As a user, I want to be able to chat with other users, so that I can communicate with them in real-time.
