Kanban backlog

Task NO.	Priority	Description
1	High	As an admin, I want to be able to authenticate doctors' documentation, so that doctors are verified in the system.
2	High	As a user, I want to be able to set what kind of user I am (Patient, Doctor, Volunteer), while signing up so that I am assigned a specific role in the system.
3	High	As a user, I want to manage my account details which include password and username, so that I am able to update my profile data.
4	High	As a user, I want to manage my posts by posting and deleting them, so that I am able to share or remove them.
5	High	As a user, I want to be able to write comments on posts, so that I am able to interact with others.
6	High	As a patient, I want to create a private group and manage my group/s, so that I have more interaction with my doctors and volunteers who can provide help.
7	High	As a user, I want to join a group by searching for the group, so that I can provide help and communicate with others.
8	High	As a user, I want to be able to leave a group by withdrawing from it, so that I am not associated with other users in the group.
9	High	As a doctor, I want to be able to manage my corona-related lecture by posting, editing and deleting it, so that I can let other users be aware of my lecture updates.
10	High	As a volunteer, I want to be able to add and delete my offer help post, so that I am able to provide help.
11	High	As a user, I want to see all available corona-related lectures so that I can choose which one I will be able to join.
12	High	As a user, I want to search for posts by keywords, so that I can find posts needed.
13	High	As a user, I want to see statistics by date of the coronavirus outbreak in Denmark, so that I can have a better overview of the condition in Denmark.
14	Medium	As an Admin, I want to be able to add video resources to an online library, so that the user can watch these resources.

15	Medium	As a user, I want to be able to have a library of video resources that can aid me during the coronavirus outbreak.
16	Medium	As a user, I want to be able to get a notification from my groups and for my own posted comments that I have been given from other users on my posts so that I can know of others' interaction with my activities in real-time.
17	Low	As a user, I want to be able to save, view and delete my already saved posts, which are in a bookmarked list, so that I can manage my bookmarks at any time.
18	Low	As a user, I want to be able to chat with other users, so that I can communicate with them in real-time.
